A REPORT ON ORIENTATION PROGRAM FOR I B.A AND B.COM STUDENTS

2021-22

IQAC of our college organises the orientation program for the I B.A. and B.COM students every year to give all the information about the college. What suited the past or suits the present will not necessarily suit the future. Students should receive an education positively oriented towards perpetual social reform.

The commissioner of collegiate education initiated the Total Quality Management interventions for territory education with an intention to assure quality to different stake holders. To fulfil these requirements based on the guidelines our institution conducts orientation programme for I B.A and B.Com students. The most difficult thing for a new student is to orient herself to the realities of the curriculum as well as institution. Hence conducting this programme has become the tradition of our college and it is unique and special of its kind.

In this year the programme was arranged on 22-11-2021 at 10-30 A.M. The program was commenced by the invocation song by Kum. Tulasi and Maitreyi.N. III B.Com. Kum. Soumya.N.V II B.A. welcomed the gathering. In this programme all the Departmental Heads provided the information regarding the physical facilities available and conveners of different committees gave the information about co-curricular and extra-curricular activities to be conducted in the college. The office staff also provided the information about admission, fee structure, scholarships and examination process.

During the programme few senior students shared their experience. And some of the freshers also shared their views about the college. Finally the Principal in his presidential speech covered other information regarding rules, regulations and discipline of the college. At last the programme was concluded by vote of thanks by Kum. Pooja.H. III B.A.
